<b>"The Call to Worship"</b>		
Sometimes life is very hard, our days are long, there is so much affliction comes. People weep, suffering greatly. So it is, in every place near and far. But it need not be so hard. Let heaven and compassion unite our faith this day.

<b>"The Opening Prayer"</b>		
O God, World Communion Sunday, we thank you, O God for the realities that we are and allow. In every age people have known joy and struggle. So, it is in this moment. Grant us wisdom, courage and discipline that we might see and testify to this truth. May we weep with those who weep, even as we ourselves have been comforted. We pray in the spirit of grace, mercy and peace. Amen.
